# Thornbury

A similar Lidl store

**Lidl GB is preparing a planning application for a new Lidl foodstore for Thornbury, on Midland Way. Lidl is proposing to make a significant investment into Thornbury which will increase local shopping choice, providing our famous high quality products at competitive prices to help with the rising cost of living.**

Lidl intends to demolish the existing warehouse building once Alexandra Workwear has relocated and replace it with a modern, fit-for-purpose new foodstore. To complement the new store the redevelopment will provide a new customer car park, including accessible and parent & child spaces, and new landscaping across the site.

Before submitting a planning application, we would like to know your views on our proposals.
